

BATH SALTS FORMULATIONS

COURSE GUIDE

SAPACTI

SOUTH AFRICAN PERFUMERY & COSMETICS TRAINING INSTITUTE
CAREERS THAT MATTER

Our bath salt formulation course is designed to equip you with the knowledge and skills to create luxurious, relaxing bath products that meet international standards

WHAT YOU WILL LEARN

- Bath Salt Formulation Basics: Understanding the benefits of bath salts, key ingredients, and formulation principles
- Mineral-Rich Salts: Learning about Epsom salt, sea salt, and other essential ingredients for therapeutic bath products
- Essential Oils and Fragrances: Understanding the role of aromatherapy in bath products and how to blend safely
- Formulation Techniques: Mastering techniques for creating stable, effective bath salt formulations
- Product Development: Creating customized bath salts for different skin types and needs
- Regulatory Compliance: Understanding global regulatory standards and labeling requirements

As part of the course, you'll receive:

- One-on-one video call guidance: A specialist will guide you in making your first batch
- Starter kit: Get hands-on experience with essential ingredients and materials
- Certificate of completion: Showcase your expertise in bath salt formulation
- Lifetime access to course materials: Refer back to the lessons anytime
- Branding and retail guide: Launch your products with confidence
- Packaging suppliers list: Source high-quality materials for your products
- Raw materials suppliers list: Access trusted suppliers for your formulation needs

You'll be able to create a variety of bath salt products, including:

- Relaxing bath salts: Promoting relaxation and stress relief
- Invigorating bath salts: Energizing and refreshing the body and mind
- Therapeutic bath salts: Addressing specific skin concerns, such as eczema or psoriasis

Career Opportunities

With skills in formulating bath salts, you'll unlock exciting career opportunities in the wellness and spa industry. Some potential career paths include:

- Bath Salt Formulator: Develop innovative bath products for top brands
- Wellness Product Developer: Create and test various wellness products, including bath salts and body care
- Spa Product Specialist: Work with spas and wellness centers to develop customized bath products
- Regulatory Affairs Specialist: Ensure compliance with regulatory requirements, labeling, and testing standards
- Wellness Consultant: Share expertise with clients, providing personalized wellness advice and product recommendations
