FACE MASKS

FORMULATIONS

COURSE GUIDE

this comprehensive face masks formulation course is designed to equip you with the skills to create bespoke gel face masks for personal use or to start a business. Learn from industry experts and gain hands-on experience with our guided practical sessions.

WHAT TO EXPECT

What to Expect

- Comprehensive online learning modules
- Hands-on practicals with a starter kit provided
- Live video call guidance from a specialist
- Learn to create customized gel face masks for various skin types and concerns

COURSE CONTENT

Course Content

- Introduction to gel face masks and skin benefits
- Understanding gel bases and ingredients
- Formulation basics: gelling agents, humectants, and actives
- Creating customized gel face masks for different skin types and concerns
- Natural preservatives and additives
- Business and marketing strategies

PRODUCTS YOU WILL LEARN TO CREATE

Products You'll Learn to Create

- Hydrating Gel Face Mask: A soothing mask that quenches dry skin with hyaluronic acid and aloe vera
- Brightening Gel Face Mask: A vitamin C-rich mask that evens out skin tone and reduces dullness
- Detoxifying Charcoal Gel Face Mask: A purifying mask that draws out impurities and unclogs pores
- Anti-Aging Gel Face Mask: A collagen-boosting mask that firms and plumps the skin
- Calming Gel Face Mask: A soothing mask that reduces redness and inflammation with green tea and chamomile
- Exfoliating Gel Face Mask: A gentle mask that buffs away dead skin cells with alpha-hydroxy acids (AHAs)

What You Get

- Recognized certificate upon completion
- Lifetime access to course materials
- Starter kit with ingredients and equipment for hands-on practicals
- Guided practical sessions via video call
- Career guidance and support

Career Opportunities

With the skills to formulate gel face masks at a professional level, you can:

- Start your own gel face mask business, creating products for local markets, online sales, or wholesale
- Offer bespoke gel face mask services to clients, tailoring products to their unique skin needs
- Work with spas, wellness centers, and skincare clinics, creating customized gel face masks for their clients
- Develop and sell your own branded gel face mask products online or in local markets
- Collaborate with influencers, bloggers, or skincare experts to create exclusive products
- Explore opportunities in product development, research, and innovation in the skincare industry

Course Format

- Online learning modules
- Hands-on practicals with guided video call support
- Lifetime access to course materials
